

Translation Listener's Guide

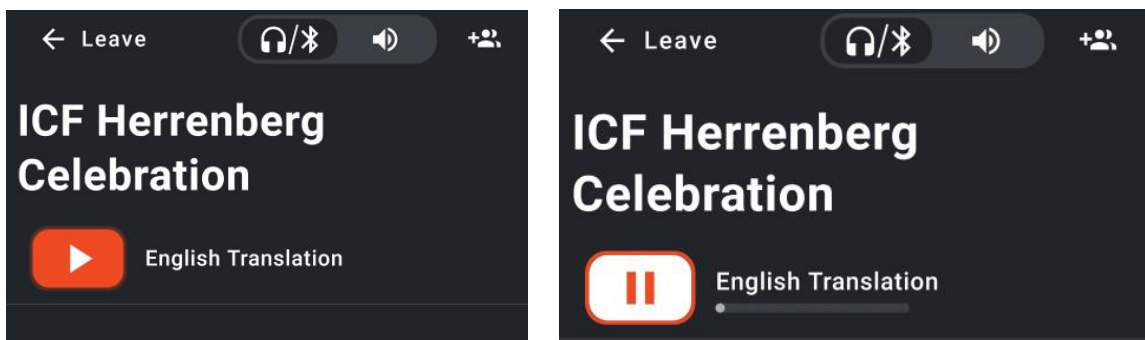

1. Install the LiveVoice app onto your smartphone. If you don't have any mobile data, you can use our guest WiFi. Name: **ICF Gast**; Password: **welcomeTOicf**

2. Connect your headphones to your smartphone or plug them in.
3. Enter the event code of ICF Herrenberg: **925759** and click on the red arrow. Alternatively, you can also find us via "Search nearby" if you activate your location function.

4. Click on the **start button** below "English Translation" (see picture on the left). Now you should be able to hear the translation (see picture on the right) as soon as the Celebration starts!

5. Be blessed and enjoy this week's celebration!

You need the following technical equipment for the app:

- Android or iOS
- A suitable headset (you are welcome to borrow one at the Welcome Point)
- Sufficient battery power or a power bank
